~~WFLMING Holderness meeting 22 June 1961~~

add A - ECGMA-55-443, 11 Aug - meeting 22 June 61

9. DISCUSSION/QUESTION The following points came up:

A. FLEMING said that in connection with the WILDCAT investigation, BURGESS had been given the crypt "BOB" and said that in the WILDCAT investigation did not know if his alias was BURGESS and his V-number 201.

B. FLEMING said he still had not had occasion to see the UNTILST file, but was quite sure UNTILST had had several meetings with the RIB during the Ross Olympics and had seen the RIB more or less regularly since that time. FLEMING said that the first meeting that was supposed to take place after home was scheduled for Geneva and that the RIB did not appear. February 26th at that time there had been several meetings although FLEMING was not sure just when or where.

C. FLAMING said that although he did not meet the source, UJMING also was handling a weird source in the USA with alleged MI6 contacts. FLAMING said UJMING meets the source in quarters in West Berlin. FLAMING said that another interesting aspect was that whenever UJMING went to Berlin, he tried to meet the source in question he took along UJMING to Berlin. FLAMING said one could have the most secret information in the world, but if UJMING made certain of the fact a communication would be made between UJMING and UJMING being
